

Content Management Specifications

File set up:

Please design showcase page(s) to actual size in inches.

Actual Size: W= 7.85" x H= 10.42"

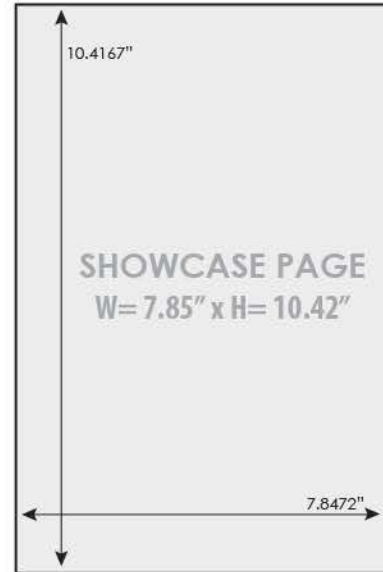

Suggestions for Design:

- Design layout should be different than display ad (as they are viewed side by side)
- Avoid using thin style or hard to read fonts - a minimum of 12pt is recommended
- When including a menu - limit descriptions, LESS IS BEST!

File Saving Instructions:

Please save showcase page(s) in pixels. 150 dpi. RGB.

Pixel Size: W= 565 pixels x H= 750 pixels
